REFERENCES

Jussi Vahteristo - Manager, Ravintola Uunisaari
Marko - Manager, Båt Bar & Terrace

AVAILABILITY

Available for practical hands-on roles, including evenings, weekends and short-notice workplace needs.

PROFILE

Safety-minded service professional with practical experience across cleaning, hospitality, logistics and technical field support. I bring an engineer's discipline to daily tasks and a warm service attitude to customer-facing work. Recruiters can expect punctuality, hygiene awareness, independent task ownership and steady support during busy shifts.

SELECTED WORK EXPERIENCE

Bartender / Hospitality Support Hospitality

Båt Bar & Terrace, Seil Oy - Helsinki

- Supported bar and terrace service through preparation, customer contact, cleaning and smooth shift handover.
- Kept the service area clean, organized and safe while assisting colleagues during busy guest periods.
- Built practical confidence in customer service, drink service support and front-of-house teamwork.

All-Rounder / Restaurant Operations Support Hospitality / Logistics

Ravintola Uunisaari, Seil Oy - Helsinki

- Worked across kitchen support, dishwashing, cleaning, stock movement and practical logistics in an island restaurant environment.
- Helped keep back-of-house, guest areas and supplies ready for daily service, events and fast turnarounds.
- Adapted between tasks quickly, showing stamina, teamwork and ownership of practical operational needs.

Office and School Cleaner Cleaning

Siskon Siivous Oy - Finland

- Cleaned office and school spaces through dusting, mopping, vacuuming, waste removal and surface care.
- Followed hygiene and safety routines to keep shared spaces clean, safe and ready for staff, students and visitors.
- Worked independently with attention to detail, time management and consistent cleaning quality.

Office Cleaner / Shift Support Cleaning Support

Facility support roles - Finland

- Supported daily cleaning tasks, shift preparation and workplace presentation in office and operational settings.
- Helped supervisors and team members by staying flexible, following instructions and completing practical tasks on time.

TECHNICAL & LOGISTICS BACKGROUND

Handled equipment preparation, packaging, basic field maintenance and organized movement of materials. This background supports careful work, problem solving, safety awareness and practical reliability.

EDUCATION

Tourism and Hospitality Management
JAMK University of Applied Sciences - Finland

Electronics Engineering Background
Technical foundation supporting disciplined, accurate and safety-focused work

WHAT I OFFER

A dependable hands-on worker who can support cleaning quality, guest service, kitchen/back-of-house tasks, stock movement and daily operational flow without needing constant supervision.
